Hi, I just installed the english Office 2007 Enterprise, then the Office Project 2007 (trial) and the French Office Language Pack 2007 . Partial support of "Arabic language pack" in Microsoft Office 2007 - Ubuntu 11.10 - Google Chrome - English Hi, I installed Microsoft Office 2007 from a CD-ROM and then changed the language settings to English, but then I changed the computer language back to Arabic . How can I install Microsoft Office into a different language? How to make Office 2007 to be displayed in a language other than English How to install Office 2007 (and Office 2010) in a different language other than English? How do I install a new language pack for Office 2007? Hi, I have Windows Vista SP2 with Office 2007 SP3 installed . I'm running Office 2007 in English, and I want to change the language of the Ribbon and buttons on the menu, and on help I recently created a Word document and then saved it as a template. Now the text in the template appears in Chinese. If I click the button in the ribbon to "Restore to Factory Defaults", the text in the template is changed to something other than Chinese. My laptop's language is English. How can I change the Chinese text to English? After installing the Office Language Pack 2007, I can see the update option in the notification area. Then I installed this new Office, and I can see the update option in the notification area. Clicking update in this Office, then I can see the "Installed language pack" option is shown in the notification area. But, then I click the language pack, I cannot see the new language in the "Administrative Tools". Microsoft Office will only display the text in the English language. So far, I have not been able to change this. I am using Windows XP SP2, and I am using Microsoft Office Home and Student 2007. How to change the language of Windows 7 from English to Portuguese?
